

JANUARY IS BEER MONTH AT EUCLID HALL

Although we're known to worship beer all year long, January will be a special month of beer celebration at Euclid Hall.

DAILY TAPPING

Every day at 5:00 p.m. we'll be tapping a new and unique beer. We'll leave no keg unturned in our quest for super secret cellar stashes that will take us to every corner of Colorado, the US and the world. Watch for Facebook and Twitter announcements for details.

BREW BITES

Every Tuesday in January from 3:00 p.m. until close, we'll feature three 2 ounce pours of selected beers paired with three bite-sized snacks from the Euclid Hall kitchen for 12.50
