LEOPOLD BROS.  
SMALL BATCH DISTILLERS OF FINE SPIRITS

## Mark your calendars!

On Tuesday, October 8th, be there for an epic collaboration between world-class Central Coast brewer Firestone Walker Brewing Company, local distilling legend Leopold Bros. and the gang from Euclid Hall.

Firestone Walker and Leopold Bros. will roll out beers and spirits that you might not have seen or tasted before. The Euclid Hall culinary wizards tasted 'til their tongues were numb and created a special 8 course pairing menu. Pheasant confit? Venison haunch? Really? Check out the menu on the reverse of this flyer.

It all happens on  
**Tuesday, October 8 at 6:59 p.m.**

Tickets are \$100 per person including tax and gratuity.
